BRITAIN NOT TO

(Continued from First Page.) matter of the highest importance by

by Japanese papers in Honolulu from their Tokyo correspondents, said that imperial government, following ratification of the peace treaty agreement with Great Britain. The people of Australia and New Zealand have never liked the pact An evidence of their feeling in the matter was shown by their insistthat Japan should not given a mandate for any of islands, former possessions of Germany, that lie south of the equator. The peace conference sustained in the provisions of the peace treaty contention by allocating only former German possessions of the equator to Japan. The repeated announcement Japanese statesmen that following Mrs. Goldie Drossos, wife of a the ratification of the peace treaty Japan would set a definite time for the political and military evacuation of Shantung is believed to be
